I would appreciate your assistance in guiding us through the Board's approval process. Please let me know when we will need to appear at the committee and board meetings.

**TO:** Shelby County Board of Commissioners  
**FROM:** Jeff Sanford, President   
**DATE:** April 30, 2008  
**RE:** Center City Commission FY '09 Operating Budget

We are pleased to present the Center City Commission's proposed FY '09 Operating Budget. The CCC Board of Directors has approved this budget. Highlights include:

- It is a balanced budget.
- This budget has no fiscal impact on the County's budget because it does not contain County tax revenues.
- No new administrative positions have been added.
- Largest increase in program expenses relates to the hiring of private security to patrol Downtown streets.
- Total operational expense in the '09 budget is virtually the same as the '08 budget (a difference of \$15,697 between the two budgets).
- A 3% compensation increase for fulltime CCC employees.

With more than \$3 billion in projects underway, we hope to gain the Commission's approval of the FY '09 operating budget so that we can continue to coordinate the Downtown turnaround.

Thank you for your consideration and for your continued service.
